

GROUNDHOG DAY SPECIALS February 2, 2012

All food and drink specials are based on scenes from the movie *Groundhog Day*, which was written, directed and produced by Harry Caray's Navy Pier partner, Harold Ramis. Like the movie—in which Phil (Bill Murray) re-lives Groundhog Day over and over again, and each day gets closer to winning the heart of Rita (Andie McDowell)—we are offering these specials two days in a row.

DRINK SPECIALS

Available at both Harry Caray's Kinzie and Navy Pier

Phil: "Campari and soda with a slice of orange, please."

Rita: "That's my favorite drink?"

Phil: "Mine too."

Why couldn't I get that day over and over again?"*
