*The Nitti Gritty Old Fashioned is inspired by Frank Nitti, the notorious enforcer of the Al Capone gang. Long before this building was home to Harry Caray's, it was home to Nitti and his wife Annette. Relics from his life of crime were uncovered in 1998 when an electrician drilled a hole in the wall of the basement that revealed a hidden room spanning the width of Harry's Bar. Now referred to as Nitti's Vault, the secret room and the possessions discovered within it, can be seen in the basement of this building along with photographs, newspaper articles and legal documents from Nitti's life. Check it out!
