When Harry Met Elvis...

Elvis Presley, a St. Louis Cardinals fan, was also a huge fan of Harry's and his irreverent style of broadcasting. One day, Elvis heard Harry was in Memphis, so he called him at his hotel and invited him to Graceland. They hung out all night, talking baseball, drinking beer, and eating a barrel of ribs. That story inspired us to create this BBQ and Beer focused menu. We even have an original pair of Elvis' iconic glasses on display at the center of the restaurant (another thing Harry and Elvis had in common).

Planning a party? Several areas within the restaurant can be sectioned off for private events, including the patio. From Memorial Day until Labor Day, private event space is very limited, so book early! Visit harrycarays.com for details.
